Agencies Pty Ltd

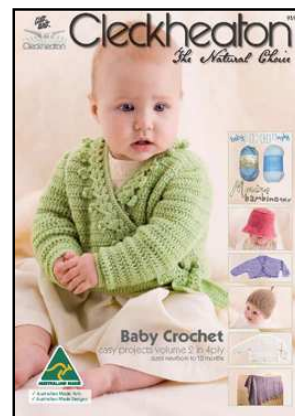

November 2008

Welcome to our first newsletter that coincides with the launch of our new website; it's been a long and tedious road but well worth the wait. A big thank you to Craig Evans our website developer, I am sure we all drove him mad and there must have been days when he wondered why he ever took on the project! We are extremely happy and most excited about using the many new facilities it offers.

We know all our talent and parents have been anxious to see the new site and view the new photographs that were shot in August/September. Please have a good look at your/your child's profile and let us know if there are any updates required. For those talent/children with old profiles and dated photos, you may like to consider booking in for new shots.

Team now has a 'Creative' section, well worth having a look at our very talented creative team.

Aside from working daily on the new website, September saw many new babies join up with Team. We had a big photo shoot for Cleckheaton & Patons and were short on the number of babies required. With the help of talent, parents and friends we found some gorgeous new babies who not only worked for our client but are now part of our Team! Thank you to all who passed on the email and helped find those beautiful little ones. .

Have you all seen the new Huggies television commercial? The hero girl is our own little Stephanie! She looks beautiful and was up against some tough competition at the casting. Look out for Stephanie in the television series 'Elephant Princess' where she plays the role of 'Little Alex'.

One of our gorgeous and very talented actors, Nicola, is the hero girl in the new Evoke deodorant television commercials. Nicola has been with team since she was a little girl and has done some wonderful work over the years. Our clients love working with her and she does the Agency proud. It's been a pleasure to see her develop into such a talented actor, but more importantly; such a beautiful young woman.

Congratulations to our little 6 year old Kailen who scored the Country Road photo shoot. As soon as the shots go to print we will include them in our 'Gallery'.

The new series of 'Saddleclub' sees one of our boys, Cosmo, playing the role of Phil Marsten. Cosmo is another very talented young actor who is worth keeping an eye on!

For those of you who watched 'Underbelly' you may have spotted our boy Jacob. Jacob took the whole shoot in his stride and was not one bit phased by what was required of him or the graphic scenes that needed to be shot. Well done Jacob!

September & October has been a busy time for our photographic kids and babies, shooting heaps of Myer, Target and Kmart catalogues.

With the Spring Racing Carnival almost upon us, please be sure to send us photos of those who enter the junior 'Fashions on The Field'. Over the years we have had many of our young models actually win the competition, lots of 2nd place winners and heaps of finalists! Good luck to all the Team kids who enter this year!

On a personal level, September was a very sad month for me and my family. My beautiful and loyal dog Leonardo died on Monday 22nd of September. Leonardo had been with us for 16 years, he came to us as a gorgeous little puppy of six weeks old. Many of you would know him as the Team dog, he loved the children and always wanted to come and say hello to everyone who came by the office. We miss him terribly and think of him every day.

If you want to be part of our next news letter, please send in your photos and any news or comments relating to the jobs you have been part of. We will do our best to include your letters and photos.

It's unlikely I will have time to do another Newsletter before Christmas, so I would like to take this opportunity to wish you all a wonderful Christmas and safe and happy New Year. For all the little ones, I hope Santa brings you lots of lovely surprises!

ANNE WILL
